Special Guest Speaker:

Jay Jamali, CSP, CHMM, CHCM is the EHS Director at Enviro Safetech a leading EHS consulting firm based out of San Jose. Mr. Jamali has over 25 years of safety experience with a BS in Occupational Safety and Health and MS in Safety Management. He is on the faculty of the UC Santa Cruz safety management program and a frequent presenter at international conferences such as ASSE, AIHA, LIA, IOHA. Jay has extensive experience in dealing with Cal/OSHA. He has developed fall protection plans, as well as provided multiple fall protection, competent person and qualified person training. He is the past president of the Greater San Jose ASSE chapter and the chapter's 2006 Safety Professional of the Year (SPY).

Key Points:

This presentation will discuss the following topics:

- Trigger heights for fall protection
- Training, inspection, competent/qualified person
- Fall protection plans, rope access, post-fall rescue
- New ANSI fall protection standard, and more.

Increase of lunch pricing:

Because of the increase in price for our menu choices we have increased the price to \$30.00 per person for 2010.
